Am I missing something? This is just an alphabetized list by State, I think. Not sure if there are priorities indicated.

Subject: Proposed Priority Superfund Website Updates

Hi All,

Per our meeting yesterday I agreed to pull together a list of the Superfund websites that based on community interest, upcoming site work and post GKM interest should be first priority in getting updated. They are:

Attorney Client/Ex. 5

Attorney Client/Ex. 5

Let me know by COB next Wednesday, Oct. 28 if you have different thoughts or think some may not need to be a part of this first priority round. I've also attached the Superfund list for your reference.

Thanks, Libby
